Personal Information

Name: Nils Podiņš

Address: Gulbenes novads, Jaungulbenes pagasts, Jaungulbene, LV-4420

Phone: +371 29582664

Email: nilspodins123@gmail.com

Date of Birth: 15.09.2002

About Me

I am currently a 4th-year student at the Latvia University of Life Sciences and Technologies, studying Computer science and Computer technologies. I have hands-on experience in Laravel projects. During my internship at SIA "Macovel" (re:atom) (2026), I successfully developed three commercial products from concept to production deployment: a rental platform, a workspace management system, and a digital signage module. Confident and self-driven, able to navigate large codebases, make architectural decisions, and deliver working products.

Work Experience

SIA "MACOVEL" - re:atom

Full-Stack Web Developer (Internship):

02.03.2026-22.05.2026

- Developed a full-cycle rental platform ("nomat"): category navigation, rating system, Flatpickr calendar, Laravel Reverb WebSocket notifications, Paddle subscription integration, OpenStreetMap
 - Built a workspace management platform ("databrize"): block-scripting engine, triggers, backup/restore with worker queue, plugin architecture, webhook system with custom rules
 - Created a digital signage module: display pairing via QR code, playlist/presentation system, Socket.io real-time communication, file conversion
 - Deployed to a production server, conducted security reviews, maintained Pest tests
- Development took place in an Ubuntu environment, actively using AI tools (vibe coding)

Local Government Institution

2019-2023

- Technical and auxiliary work
- Various technical tasks, customer service, and teamwork

Education

Latvia University of Life Sciences and Technologies

Bachelor's studies – Computer Control and Computer Science (2023 – present, 4th year)

Vidzeme Technology and Design Technical School

Vocational secondary education – Software Engineering (2019–2023)

Gulbīts Primary School

Primary education (– 2018)

Technical Skills

Frontend: HTML, CSS, JavaScript, Blade, Tailwind CSS, GSAP

Backend basics: PHP, MySQL, C#, Laravel

Other technologies: AJAX, .NET

Tools: Git / GitHub, VS Code, Jira, WordPress, Ubuntu/Linux

Driver's license: Category B, since 2021.

Languages

Latvian: Native

English: B1

Russian: Conversational level
